PRESS KIT

Coinomi logo usage

The logo is a square tile plus the wordmark. The name is written "Coinomi", with a capital C. Please use the files exactly as supplied.

Lockup for light backgrounds

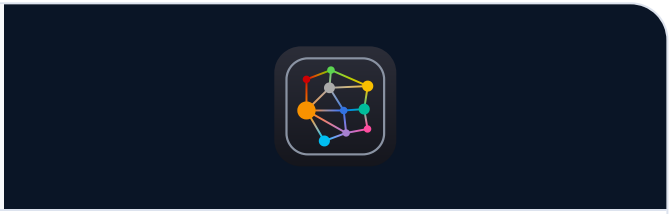

Coinomi-lockup-for-light-backgrounds. Dark wordmark. Use on white and other light backgrounds.

Lockup for dark backgrounds

Coinomi-lockup-for-dark-backgrounds. White wordmark. Use on dark backgrounds.

Mark

The tile on its own, where space is tight. Coinomi-mark-light on light backgrounds, Coinomi-mark-dark on dark backgrounds. Every file comes as SVG and as PNG with a transparent background; lockup PNGs come at 1x, 2x and 3x.

CLEAR SPACE

Keep the area around the logo empty: at least a quarter of the tile's width on every side.

MINIMUM SIZE

Lockup: 96 px wide on screen. Mark: 24 px wide on screen.

96 px

24 px

PLEASE DON'T

- Recolour the logo
- Stretch or squash it
- Rotate it
- Add shadows, glows, outlines or other effects
- Redraw or retype the wordmark
- Place the lockup on busy images
